Welcome to our second issue of Ardmillan Orthodontics newsletter.

This is aimed at all those who are associated with our practice: patients, their family and friends, referring dentists and all members of the public who visit our website. We thank you for taking the time to read this news brief and would welcome your feedback.

Staff news:

We congratulate Louise on passing her Radiology for dental nurses' exam in July 2010. Louise is now qualified to take radiographic investigations without direct supervision.

Summer Barbeque:

On Wednesday 4th August 2010 we held a barbeque over lunchtime for our friends, referring dentists and their staff.

We would like to take this opportunity to thank all those who made it to the lunch. We have certainly enjoyed ourselves and were particularly delighted that the rain stayed at bay! We thank Ahmed and Ahmed for the perfect bbq and Eman for the tasty marinating!

Due to the success of this first event, we would aim to host it on annual basis.

Feedback on the timing of the event and variety of food would be welcomed.
